JKUAT ENTERPRISES LIMITED

BACKGROUND

JKUAT Enterprises Limited (JKUATES) is committed to capacity building and is renowned for its excellence in bridging the skills gap in the Kenyan population. It is 100% owned by JKUAT and houses four divisions namely; EDC, Production, ICT and Consultancy.

ABOUT JKUATES

JKUAT Enterprises (JKUATES) is state corporation operating as a limited company, fully owned by Jomo Kenyatta University of agriculture and Technology (JKUAT).

JKUATES objectives are:

- To enhance entrepreneurial activity through the latest innovations in technological research
- To enhance entrepreneurial and business management skills for enterprise growth and development
- To provide practical solutions for business problems by drawing on resource personnel from various disciplines in JKUAT
- To link the University with industry, government, the public and other stakeholders and to provide a forum for networking to propel development
- To market the University's innovations

The company's educational activities include training in Entrepreneurship, ICT and Production Processes. We also offer:

- Research & development and proof of concept
- Baseline surveys (social, market, product, customer, Organisation surveys)
- Enterprise Development Services
- Technology transfer
- Business Process Outsourcing
- Architectural and engineering design
- Biotechnology products
